MYSTAYS HOTEL MANAGEMENT Co., Ltd., (Headquarters: Minato-ku, Tokyo, President: Mr. Atsuki Asano) has announced that it will start operating Hotel New Tagawa Kokura in Kitakyushu City, Fukuoka Prefecture on Monday, October 15, 2018.

Hotel New Tagawa Kokura is a renowned classical hotel built during the Meiji era, famous for its "Chisen-Kaiyu-Shiki" Japanese Garden (a garden that features a path around the pond)", and for being a guest house for Mr. Kisaburo Yamamoto. The hotel is a popular tourist spot where weddings and meetings are held every season in Kitakyushu. Today we have commissioned it as the property of the MYSTAYS Hotel Group. We will take advantage of our multilingual capabilities and latest in management know-how to further to promote this property.

We will diversify our sales efforts in order to respond to the needs of a diverse customer base. We will also continue to focus on weddings and banquets as the core services of the facility, while making full use of the valuable facilities – the tea ceremony villa and Japanese Garden within.

Furthermore, in line with our concept of an urban full-service resort suitable for every lifestyle event we plan to change the name to "ART HOTEL KOKURA NEW TAGAWA", under our ART HOTEL Brand. This Autumn we truly look forward to welcoming you with our traditional Japanese hospitality.
