March 2019

MYSTAYS Hotel Management Co., Ltd.

MYSTAYS Hotel Management Co., Ltd. (Headquarters: Minato Ward, Tokyo, President and CEO: Atsuki Asano) has announced that the rebranded Art Hotel Aomori will open its doors on March 18, 2019, in Aomori City. The hotel was previously known as Aomori Washington Hotel.

Located in the center of Aomori City, the hotel is a 15-minute walk or 3-minute drive from JR Aomori Station. This accessible location makes it a perfect base for business travel or sightseeing. The Art Hotel brand of full-service hotels caters to a wide variety of lifestyle and event needs, with locations in major cities across Japan that include Asahikawa, Hirosaki, Morioka, Niigata, Joetsu, Osaka, Kokura, and Ishigaki, making this the brand's ninth offering.

The popular "Champs-Élysées" restaurant on the first floor has been renamed "Aomori Bold Kitchen," where guests can enjoy breakfast made from carefully-selected local ingredients. On the second floor, the "Sanjusangendo" Japanese restaurant has been renamed "Nagomi" and serves sake, hot-pots, and other Japanese cuisine, making it an ideal venue for wedding receptions, banquets, and other group events. Guests can continue to enjoy these on-site gourmet options after the hotel reopens.

We sincerely hope to see returning patrons again and will do our best to make new guests feel welcome as well.
