MYSTAYS Hotel Management Co., Ltd.

MYSTAYS Hotel Management Co., Ltd. (Headquarters: Minato-ku, Tokyo, President: Ryoichi Shirota) adds four facilities to their portfolio and begin operations on Monday, April 1st, 2019, including hot-spring resorts Kusatsu Onsen Daitokan and Kusatsu Onsen Hotel Resort in Kusatsu-machi, Agatsuma, Gunma Prefecture, Art Hotel Oita in Oita City, Oita Prefecture (formerly known as “Ariston Hotel Oita”), and Hotel Mystays Shimizu in Shizuoka City, Shizuoka Prefecture (formerly known as “Hotel Vista Shimizu”).

The Kusatsu Onsen Daitokan property boasts a view of the hot spring district’s famous Yubatake hot spring. Visitors can bathe in water drawn directly from the Yubatake hot spring, and also enjoy a spectacular light show at night. Sister property Kusatsu Onsen Hotel Resort is a 10-minute walk from the Kusatsu Hot Spring bus terminal, near the gateway to Kusatsu hot spring, and a 5-minute ride on the free shuttle bus. Here visitors can enjoy a relaxing resort stay surrounded by lush nature. All spa water is directly drawn from the Mandaiko hot spring, the hottest in Kusatsu.

Art Hotel Oita is located in an office area adjacent to the downtown area Otomachi, within walking distance of JR Oita Terminal Station and a 3-minute walk from the nearest airport bus stop, Niagemachi. Many tourists also use it as their base of operations when visiting Beppu Onsen or Yufuin, two of the most famous hot springs in Japan.

Hotel MYSTAYS Shimizu is a 3-minute walk from the Tokaido Main Line Shimizu Station and conveniently located about 10 minutes by car from the Tomei Expressway Shimizu interchange. The hotel is a perfect location for business or sightseeing at world heritage site Miho No Matsubara or Nihondaira, famous for its view of Mt. Fuji.

MYSTAYS Hotel Management aims to preserve the unique aspects of each hotel, such as breakfasts and supplemental facilities, while promoting them to a wider range of customers.
